INVITATION

Dear Colleagues,

we are pleased to invite you to The 12th Baltic States Triennial Conservators' Meeting "Research. Dilemmas. Solution.", which will take place in Vilnius at the National Museum Palace of the Grand Dukes of Lithuania on 27-30 May 2020.

The conference will bring together conservators, scientists, art historians, curators, librarians, archivists, students, collection managers and directors from cultural institutions and the private sector to share their problems and discuss possible solutions in research, conservation and preventive conservation. The delegates are invited to review case studies and theoretical considerations in preserving artworks and other cultural heritage objects, to exchange ideas and develop a new vision for the future of the conservation science and practice.

The Triennial Meeting will run for three working days (27-29 May). Its programme includes oral presentations and a poster session. The last day (30 May) is reserved for sightseeing tours.

The meeting is organized by Lithuanian Art Museum Pranas Gudynas Restoration Centre.

We hope that The 12th Baltic States Triennial Conservators' Meeting in Vilnius will be a memorable cooperation for all participants.

We very much look forward to seeing you in May 2020 in Vilnius!

Kind regards,

Romualdas Budrys
Director of the Lithuanian Art Museum
